How was your experience of  
Growing Talent?

1. What are your thoughts on the whole process?

"It felt natural and not  
pressurised!  
I gained a lot of confidence to  
speak with the employers"

## 2. Tell us about the accompanying workbooks and topics covered.

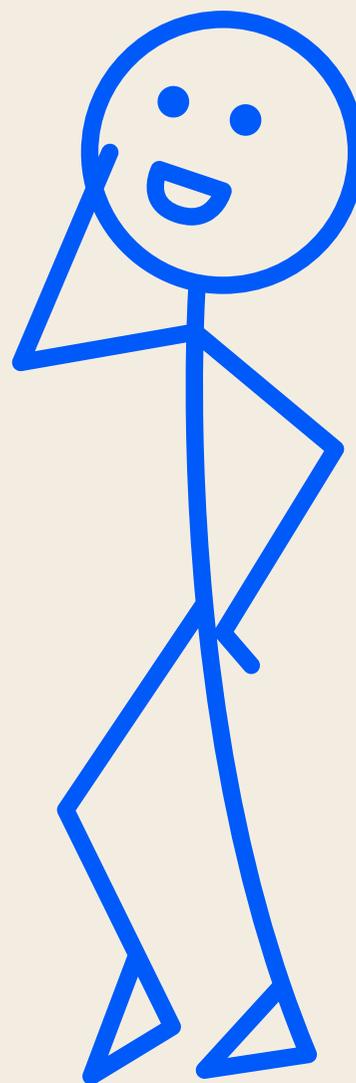

"I found the topics relevant and mirrored some of my own experiences.

This enabled me to analyse my own behaviours.

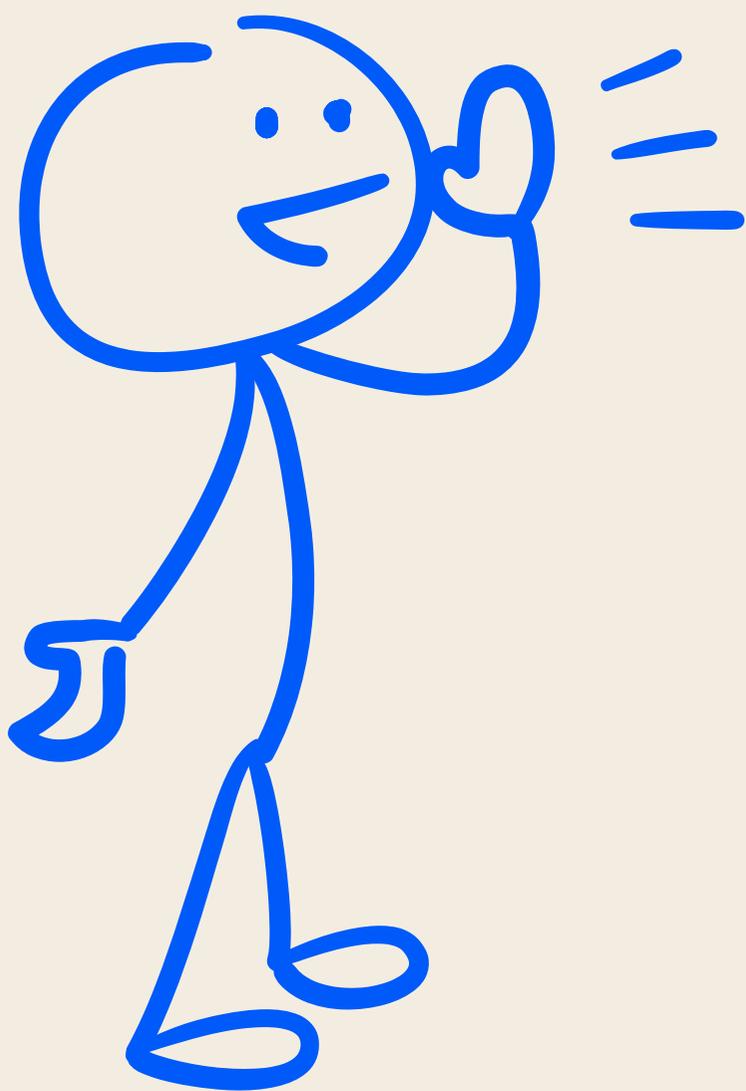

I've increased my knowledge and resilience.

I feel confident I'll be the best I can be going into the work environment".

### 3. What key things have you learnt?

"Understanding what is expected of me by managers in the workplace - I hadn't realised how important these things are and how they can impact the team"

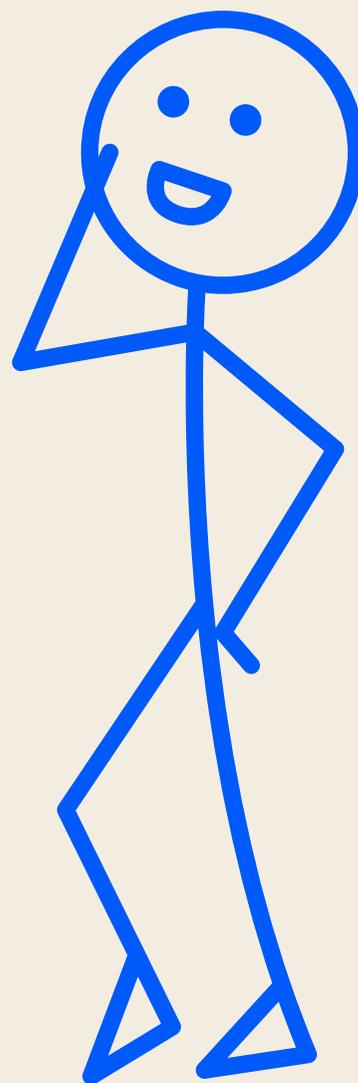

#### 4. Any other comment you would like to make?

"Growing Talent is a great programme for people who have been out of work.

I'm so grateful I was accepted onto the programme.
